

Tender No. 422/995/17

For Selecting the Management Company for the Light Railway Project in the Haifa Metropolitan Area between Haifa and Nazareth

Pursuant to the Invitation to Bid for the tender published on May 27, 2018, Cross Israel Highway Ltd. (the "Company") hereby announces several changes in the threshold requirements for the tender as well as several updates regarding the tender schedules, all as specified in the updated tender documents to be published by the Company as of August 30, 2018, on the Company's website at: www.hozeisrael.co.il (the "Updated Tender Documents" and the "Website", respectively).

The main changes in the threshold requirements are summarized below:

1. Section 2.2 (Professional Experience) of Annex E"2" (Threshold Requirements for the Project Manager) to the Invitation to Bid has been amended as follows:
"for public employer ("מזמין עבודה") or concessionaire, at least two (2) transportation projects, one at the design stage and the other at the construction stage, in which the accumulative financial scope of the contracting works is at least three hundred million New Israeli Shekel (NIS 300,000,000), provided that with respect to the project at the design stage, the design stage was completed during the relevant period, and with respect to the project at the construction stage, the construction stage was completed during the relevant period, and provided further that at least one (1) of the said projects is a linear transportation project and at least one (1) of the said projects was managed by the Project Manager for a public employer.
2. In addition, further changes that may affect the means to prove the requirements and terms of the tender were executed, all as specified in the updated Volume I - Invitation to Bid.
3. **Due to the aforesaid changes, the final date for the submission of requests for clarifications or interpretations has been postponed, as specified in the Updated Tender Documents, until September 6, 2018 no later than 16:00 (Israel time), and the submission date has been postponed until October 11, 2018 no later than 17:00 (Israel time).**
4. Participants that did not participate in the participants' conference held on June 26, 2018 (which was not a condition for participation in the tender) and wish to participate in an additional conference due to the aforesaid changes are invited to contact the tender contact person, as specified in the tender documents, no later than **September 6, 2018 until 12:00 (Israel time)**. It is hereby clarified that the Company reserves the right to hold additional conferences, as long as such applications are received.
It is further clarified that the materials from the participants' conference held on June 26, 2018 were published in full on the Website under the tab "**Tender no. 422/995/17 for Selecting the Management Company for the Light Railway Project in the Haifa Metropolitan Area between Haifa and Nazareth.**"
